

# Save Anstey Park

That rejected Coors planning proposal for development on Anstey Park just keeps coming back!!!

Once again the good people of Alton can help save Anstey Park from buildings, roads and fencing.

**Come to the park for a protest gathering and photo**

**Sunday 12th September at 3pm  
at Diggers Elbow**

Why not bring a picnic and even if it's not raining bring a colourful umbrella, it's for impact in the photo.

## **VERY IMPORTANT**

Write or email your objections to our Alton Town Councillors names and contact details easily found at:

**<http://ansteyresidents.org.uk>**

**Urgent action is required now...  
Alton Town Council meet on 23rd September to  
decide on whether they support the plan.  
Please come to that meeting if you can.**

 **WE LOVE ANSTEY PARK**
